

Ufirst Project Meeting Summary

Strategic Operations Committee

Purpose: The steering committee accountable for aligning Ufirst with the strategic direction and operational requirements of the Academic Division, Medical Center and UPG. Key responsibilities include:

- Provide subject-matter expert advice on Ufirst topics
- Make timely decisions - be decisive about the tough stuff early, no re-examination/revisiting decisions
- Assess, critically, HR performance against the attainment of key service and operational outcomes
- Work closely with University leaders to engage, enroll and garner active support for the project
- Remove barriers to project success, solve problems and resolve issues – escalate as necessary
